

Ask a grown-up for help taking photos of the fun things you find!

- 1** Can you find some plants called red hot poker? Can you spot a bee enjoying the flowers?
- 2** This statue is of some very brave men who saved a city in France. How many men can you see in this statue?
- 3** Stay with a grown-up when you are near the side of the river. What can you see? Can you see the London Eye? What do you think lives in the river?
- 4** These trees are called plane trees. Are the leaves as big as your hand?
- 5** If you look high up this special monument, which different animals can you spot? Some are hiding very well!
- 6** Can you see which flag is flying at the top of the Houses of Parliament? It is very high up on Victoria Tower!
- 7** Look for ferns around here. What do their leaves look like?
- 8** If you stand in the circle of bricks, can you see any sculptures of animals?
- 9** Come and enjoy Horse Ferry playground. There are lots of fun things to play on including horses and a ferry boat!

Extra points!

- Can you find a tree with the longest shadow in the gardens?
- There are lots of benches in the gardens. Where is your favourite place to sit?
- What leaves can you find on the ground? Trace the outline with your finger – how many different shapes are there?
