**THIS YEAR'S BMA GUEST HOST; DAN PALING**, is a writer and ornithologist based in London. He is a culture journalist at London Unattached magazine, a freelance audio producer at the Royal Geographical Society, and a biological fieldworker tracking birds across Europe. His creative work centres on relationships between nature and society. In his recent audio documentary, he walked around Sheffield on an autumnal night, using sound to connect nightlife on the clubbing strip with bird migration over the moors. He was the Orwell Society/ NUJ Young Journalist of the year 2024.
