

London Parks & Gardens (LPG) is seeking a new Chair. Our current Chair is stepping down at the end of her current term in office this year, leaving a big pair of boots to fill.

We are looking for an energetic joiner with vision and leadership skills to ensure the charity continues to have a strong and effective voice in championing London's parks and public green spaces.

LPG is a small charity with big ambitions. This is an excellent opportunity for someone who enjoys the challenge of thinking strategically, generating captivating ideas and leading a team determined to make a real difference.

The Board currently meets six times a year in the evenings by Zoom or Teams. We traditionally have organised a board Awayday once a year. The role is unremunerated but reasonable expenses are reimbursed.

We are committed to further increasing the diversity of our Board and supporters. We have come out of Covid lockdown with renewed energy and new structures, making us more resilient for the future. The successful candidate will find a committed team, dedicated to saving London's parks and public green spaces; ensuring inclusive access and promoting equality in all we do.

If you are interested in the culture, heritage and community value of parks, please send a CV and covering letter outlining why your experiences make you the right person for this exciting and demanding role to: maureen.nolan@londongardenstrust.org.

The closing date for expressions of interest is 16 March 2023.
